Junior Tennis Schedule

PEE WEES

Ages 4-6

Tuesdays & Thursday from 5:30-6pm

In this age bracket, we get the kids used to warming up, knowing the basic strokes, and playing fun running and hitting games. This prepares them for Junior Development.

JUNIOR DEVELOPMENT

Ages 7-11

Mondays & Wednesdays from 4-5pm

Saturdays from 1-2:30pm - PLAYDAY

The idea behind Junior Development is to create better strokes and strategy with advanced footwork- all with the intent to excite them further about recreational tennis and prepare those interested for high school and college tennis and beyond.

JUNIOR EXCELLENCE

Ages 12-16

Mondays & Wednesdays from 4-5pm

Saturdays from 1-2:30pm

The kids are ready for more matches, tournaments, and further concentration to refine their strokes, strategies, and footwork. We are preparing them to play upper-level tennis.
